

REQUEST LETTER

August 20, 2025

Engr. ERLYN IVY O. RAGO
Head, Student Success Office
Cebu Institute of Technology – University

Dear Engr. Rago,

Good day!

I am **Jennifer Bendoy**, a 4th year Bachelor of Science in Information Technology student (ID No. 21-1831-555). I am respectfully writing to request an exemption from wearing the prescribed school uniform for this semester.

This semester, I am only enrolled in **Capstone 2** and **On-the-Job Training (OJT)**. Given the nature of these courses, which primarily involve project implementation, external collaboration, and field exposure, I would like to request permission to attend classes and fulfill my academic requirements without the school uniform.

Rest assured that I will continue to observe proper dress code and uphold the values and standards of the university.

Thank you very much for your kind consideration of my request.

Respectfully yours,

Jennifer Bendoy
